Re: Lisa Bryan v. Lucent Technologies, Inc.,
Civil Action No. AMD-03-0265

Dear Judge Davis:

Please be advised that on this date, this office has served upon counsel for Lucent Technologies, Inc., Defendant, a Motion to Compel as a result of Defendant's deficient discovery responses, which were received on July 14 and July 15, 2003.

It is my understanding that Defendant intends to file a Motion for Summary Judgment by the motions deadline of August 18, 2003. As it is unlikely that Plaintiff's Motion to Compel will be resolved prior to the time in which Plaintiff's Opposition to Defendant's Motion for Summary Judgment would be due, I am hereby requesting that the time in which Plaintiff must file her opposition be extended, or alternatively, that the Plaintiff be permitted to supplement her Opposition once the Motion to Compel has been resolved or ruled upon.

Thank you very much for your consideration in this matter. Please do not hesitate to contact this office if you have any questions.

Very truly yours,

/s/

James E. Zuna, Jr.
